“JOIN A CLUB”

Volunteers working to protect and maintain trails.

You support is needed in all ways. Our membership is \$25.00 per year and this goes to assist with grooming and trail maintenance.

Established in 1998, our club has worked on and now maintains 130 miles of snowmobile trails in Houghton and Ontonagon Counties. Our trails connect with trails maintained by Snow Valley Riders, North Country Snowmobile Club, Baraga Tourism, Keweenaw Trails and Gogebic Area grooming, giving you access to almost 1,000 miles of groomed trails in the Western U.P. Our trail system is in great lake affect snow county.
